Important information

This document, the **Certificate of insurance** and any related exclusion form **Your** insurance documentation.

This insurance documentation sets out the terms and conditions of the contract of insurance between **You** and the **Insurer**. Please read the whole document carefully and keep it in a safe place. It is important that **You**:

- check that the information contained in the **Certificate of insurance** is accurate (see 'Information **You** have given us'), and
- comply with all **Your** duties and obligations under the insurance, including the important conditions below, and the action **You** must take in the event of a claim.

Failure to comply with the above could adversely affect **Your** insurance and any claim **You** make.

Information You have given us

In deciding to accept this insurance and in setting the terms and premium, **We** have relied on the information **You** have given **Us**. **You** must take care when answering any questions **We** ask by ensuring that all information provided is accurate and complete.

If **We** establish that **You** deliberately provided **Us** with false or misleading information, **We** will treat this insurance as if it never existed and decline all claims.

If **We** establish that **You** provided **Us** with incorrect or incomplete information that **We** have relied upon in accepting this insurance and setting its terms **We** may:

1. Withdraw from the contract within one (1) month of becoming aware of the breach of the duty of disclosure, unless the notification was made incorrectly through no fault of **Your** own. In the event of withdrawal, **You** and the **Insurer** are obliged to return the benefits received to each other. If the cancellation is declared after **The insured** event occurs, the obligation to pay benefits remains if the circumstance, in view of which the duty to notify has been violated, has no influence on the occurrence of **The insured** event or insofar as it has not influenced the scope of the **Insurer's** benefits. The **Insurer's** right to contest the contract because of fraudulent deception about hazards remains unaffected.
2. If **You** breached **Your** duty of disclosure when concluding the contract and the right of withdrawal is excluded because **You** are not at fault, **We** can request a higher premium from the beginning of the current **Period of Insurance** if this is appropriate in view of the higher risk (the same applies if at the conclusion of the contract a significant circumstance for the assumption of the risk was not reported because **You** were not aware of it). The entitlement to the higher premium expires if it is not asserted within one (1) month from the point in time at which the **Insurer** becomes aware of the breach of the duty of disclosure or of the fact that has not been reported.
3. If, however, the higher risk is not assumed for a higher premium in accordance with the principles governing the business of the **Insurer**, the **Insurer** can terminate the insurance relationship with one (1) months' notice. The right of termination expires if it is not asserted within one (1) month from the point in time at

which the **Insurer** becomes aware of the breach of the duty of disclosure or of the fact that has not been reported.

We will contact You in writing if we:

- intend to withdraw from this insurance, or
- increase **Your** premium, or
- cancel this insurance.

Your duty to disclose to us

It is an essential part of **Your** insurance that **You** disclose to **Us** changes to **Your Pet's** health or **Your Personal circumstances** at the commencement, during the **Period of Insurance** and at the renewal of **Your** insurance. The information **You** need to tell **Us** about is detailed below.

Your Pet's health:

You must tell **Us** if:

- **Your pet** has shown any signs of **Illness** or **Injury** or been unwell regardless of whether or not **Your pet** was seen by a **Vet** for the problem.
- **Your pet** has been seen by a **Vet** for any reason other than routine procedures and/or neutering.
- **Your pet** has had any **Treatment** for which **Your pet** may have been seen by a **Vet** or any issues **You** have discussed with a **Vet** regarding **Your Pet's** health, whether or not any **Treatment** resulted from such discussion.
- **Your Vet** or **Veterinary practice** has advised that **Your Pet's** weight is over the normal limits.

Your circumstances:

You must tell **Us** if:

- **You** become aware that any details shown on **Your Certificate of insurance** are incorrect.
- **Your** address or the address at which **Your pet** is kept has changed.
- **You** no longer own any of the pets shown on **Your Certificate of insurance**.
- **You** have had any other pet(s) at the same premises needing **Veterinary treatment**, pass away or that were stolen in the last **Twelve (12) months**.
- There have been any break-ins or attempted break-ins at the premises where **Your pet** is kept in the last **Twelve (12) months**.
- **You** become aware of any contagious or infectious diseases at the premises where **Your pet** is kept or if there have been any contagious or infectious diseases at the premises where **Your pet** is kept in the last **Twelve (12) months**.

These lists are not exhaustive.

Who does the duty apply to?

The duty of disclosure applies to **You** and everyone that is an insured under the **Policy**. If **You** provide information for another insured, it is as if they provided it to **Us**.

What happens if the duty of disclosure is not complied with?

If the duty of disclosure is not complied with, **We** may withdraw from this **Policy**, cancel the **Policy** and/or reduce the amount **We** pay if **You** make a claim. If fraud is involved, **We** may treat the **Policy** as if it never existed and pay nothing.

Premium payment

You agree to pay **Us** the full amount of the premium, or each instalment where **We** have agreed that **You** may pay **Your** premium by instalments, by the date specified on **Your** payment schedule.

If the first or one-time premium is not paid within fourteen (14) days of the conclusion of the insurance contract and the request to pay the premium, the **Insurer** is entitled to withdraw from the contract as long as the payment has not been made. It is considered a withdrawal if the claim to the premium is not legally asserted within

three (3) months of the due date. If the first or one-time premium is not paid at the time **The insured** event occurs and after the deadline, the **Insurer** is released from the obligation to pay unless **You** were unable to make the timely payment through no fault of **Your** own.

If **You** do not pay a follow-up premium on time, the **Insurer** can set a written payment deadline of at least two (2) weeks for **You** at **Your** expense and he must notify **You** of the legal consequences: If **The insured** event occurs after the deadline has expired and **You** are at the time of the event in arrears with the payment of the subsequent premium, the **Insurer** is released from the obligation to provide benefits, unless **You** were unable to make the timely payment through no fault of **Your** own. After the expiry of the period, the **Insurer** can terminate the insurance relationship without giving notice if **You** are in arrears with the payment. The notice of termination can already be linked to the determination of the payment deadline so that it becomes effective when the deadline expires if **You** are in arrears with the payment at this time. **We** will expressly draw **Your** attention to this with the cancellation. The effects of the termination cease to apply if **You** make up for the payment within one (1) month after the termination or, if the termination was linked to the deadline, within one (1) month after the expiry of the payment period, unless **The insured** event has already occurred.

Information about Your right of withdrawal according to § 5c VersVG

You can withdraw from **Your** insurance contract within fourteen (14) days without giving reasons in writing (e.g. letter or email). The withdrawal period begins with the notification of the conclusion of the insurance contract (sending the insurance **Policy**), but not before **You** have received the insurance **Policy** and the insurance conditions including the provisions on setting or changing the premium and this instruction on the right of withdrawal.

Your declaration of withdrawal should be sent to: **Petcover EU Agentur GmbH**, Ared Strasse 16-18, 2544 Leobersdorf Austria, by email to: info.at@petcovergroup.com

To meet the cancellation deadline, it is sufficient that **You** send the cancellation notice before the cancellation period expires. The declaration is also effective if it comes within the sphere of control of **Your** insurance agent. With the withdrawal, any insurance cover already granted and **Your** future obligations from the insurance contract will end. If the **Insurer** has already provided cover, a premium corresponding to the duration of cover is due. If **You** have already paid premiums to the **Insurer** that go beyond this premium, the **Insurer** must repay them to **You** without deductions. **Your** right of withdrawal expires at the latest one (1) month after **You** have received the insurance **Policy** including this instruction on the right of withdrawal.

Information about Your right of withdrawal according to § 8 FernFinG

If **You** have concluded **Your** insurance contract using only one or more means of distance communication within the framework of a sales or service system organized by the entrepreneur for distance selling (distance selling contract), **You** as a consumer can withdraw from the contract or **Your** contract declaration up to fourteen (14) days.

The withdrawal period begins on the day the contract is concluded. If **You** as a consumer have received the contractual terms and sales information only after the contract has been concluded, the withdrawal period begins with the receipt of all of these terms and information.

The deadline is met in any case if the withdrawal is made in writing or on another permanent data carrier available and accessible to the recipient and this declaration is sent before the deadline expires.

Within the withdrawal period, the fulfilment of the contract may only begin after the express consent of the consumer.

How We can cancel Your Policy

We may cancel this insurance by notifying **You** in writing to the address last given to **Us**. **We** will only do this for a valid reason or due to a legal order, examples of which are:

- Non-payment of one of the ongoing premiums; for details on this please read 'Insurance terms and conditions –Premium payment'.
- If, after the conclusion of the contract, **You** have increased the risk without the consent of the **Insurer** or if **You** have allowed it to be carried out by a third party, the **Insurer** can terminate the insurance relationship without giving notice (if the breach is not **Your** fault, the termination only applies after one (1) month). The right of termination expires if it is not exercised within one (1) month from the point in time at which the **Insurer** becomes aware of the increase in risk, or if the **Condition** that existed before the increase is restored.
- If, after the conclusion of the contract, regardless of **Your** will, the risk increases, the **Insurer** is entitled to terminate the insurance relationship with one (1) months' notice. The right of termination expires if it is not exercised within one (1) month from the date on which the **Insurer** became aware of the increase in risk, or if the **Condition** that existed before the increase is restored.
- Any behaviour contrary to the contract which, as a breach of good faith, makes the continued existence of the insurance relationship unreasonable.
- If insolvency proceedings are opened against **Your** assets, the insurance relationship can be terminated with one (1) months' notice.
- Making a fraudulent claim under the **Policy** or under some other contract of insurance that provides cover during the same period of time that the **Policy** covers **You** (that is, if **You** dishonestly obtain or try to dishonestly obtain insurance benefits).
- Threatening or abusive behaviour or the use of threatening or abusive language.
- As well as any case in which **You** put the interests of the **Insurer** at **Your** own risk in a particularly serious manner.

If **We** cancel this insurance, **You** will be entitled to a refund of the premium paid, subject to a deduction calculated for any time for which **You** have been covered. If the insurance contract is terminated prematurely or otherwise during the **Period of Insurance**, the **Insurer** is entitled to an appropriate business fee in addition to the proportional premium.

If **We** pay any claim, whether by settlement, compromise or otherwise, then no refund of premium will be allowed. Cancellation of the insurance by **Us** does not affect the treatment of any claim arising under the insurance in the period before cancellation.
